WHY PRO HINGES AND PLATES?

ONE PLATE FOR SELF & SOFT CLOSE APPLICATIONS

Our PRO VALUE hinge plates work with both PRO soft close and PRO self close hinges. This reduces overstocked inventory and allows for versatile applications of a single item.

SAME FACTORY EVERY TIME

Our PRO VALUE hinges and plates are shipped from the same factory for each order placed. This guarantees consistent quality and standards for all products ordered. Reducing variations in product quality, usability, and effectiveness.

CONCEALED, IN HINGE, OIL PISTON

Our PRO VALUE soft close hinges contain a concealed piston in the hinge arm. This unique hinge construction allows for a more consistent and smoother close.

Our PRO VALUE hinges and plates are backed by a lifetime limited warranty. We will replace any defective or broken hinge and plate.
